with the research,

This e-mail was sent from the application form on ICMS 2017 (<http://icmsbg.org>) Is invited to attend XVIth International Congress of Medical Sciences (ICMS 2017) for students and young doctors that will take place from 11 to 14 May, 2017 in Sofia, Bulgaria in the Medical university of Sofia. For the last 15 years this annual event has become one of the leading and most important academic gatherings for medical students and young doctors in Europe with more than 500 participants. Our profound and leading philosophy is to stimulate and to contribute to the development of European scientific life by providing the best tribune to all those young scientists and future doctors who carry the light of the explorer. The congress is organized by the **Association of Medical Student in Bulgaria - Sofia (AMSБ-Sofia)**.

Any kind of help that would enable the above mentioned person to attend the ICMS will be highly appreciated.
